PROFESSIONAL SUMMARY

Accomplished Assistant in the Visa Section and Operational Support Team Officer with more than 10 years of experience supporting UK Visas & Immigration (UKVI) and Her Majesty's Passport Office (HMPO) operations at the British Embassy Manila. My work has focused on visa writing, processing high volumes of applications, verifying documents, managing biometric records, and following UK immigration standard operating procedures closely. I also have advanced computer skills in Microsoft Power Platform, including Power BI, Power Apps, Power Query, and Power Automate, as well as experience with automated database management and developing custom tools to monitor tasks. Honestly, I enjoy finding practical ways to make busy operational processes more organized and efficient.

CORE COMPETENCIES & KEY SKILLS

- **Data Entry and Reporting:** Preparing administrative reports, updating database with high accuracy, and managing basic expense tracking or petty cash.
- **Attention to Details:** Catching minor discrepancies in reports, scheduling, or documentation before they cause operational friction.
- **Advanced Computer Literacy & Systems:** Proficient in Microsoft Power Platform (Power BI, Power Apps, Power Query, Power Automate), Advanced Excel, complex database management, and automated workflow design.
- **Document Verification & Compliance Auditing:** Systematic verification of credentials, background documentation checks, inventory tracking, asset audits, and maintaining 100% data accuracy.
- **Communication and Correspondence:** Drafting professional emails, answering phone calls, routing internal memos, and acting as a primary point of contact for staff.
- **Time Management and Prioritization:** Handling multiple competing tasks simultaneously without missing critical deadlines.
- **Problem Solving:** Quickly troubleshooting daily office disruption, such as technical equipment failures or last-minute meeting changes.
- **Adaptability:** Flexible adjusting to shifting priorities, sudden policy changes, or Urgent regional request.
